PowerPlans Printing – DCP Tools

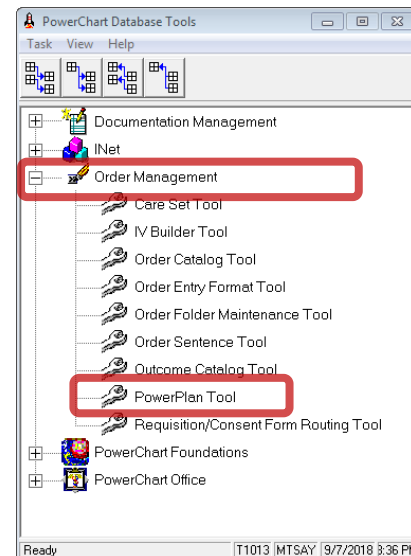

1. Sign in through Cerner Support Link.
2. Click to select a domain folder (ex. B1013/P1013/T1013).

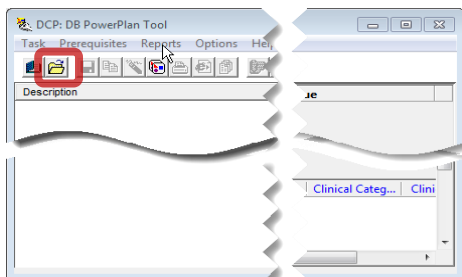

Click **Cerner Program Files** then

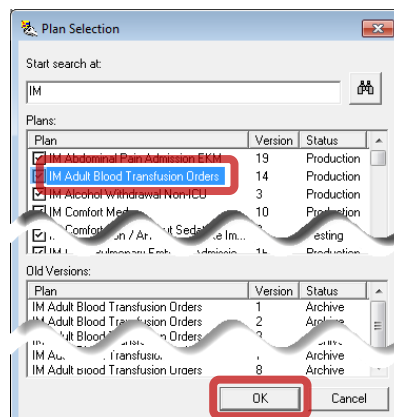

3. Click to open **Order Management** section, then **PowerPlan Tool**.

4. Click on **Yellow folder** button.

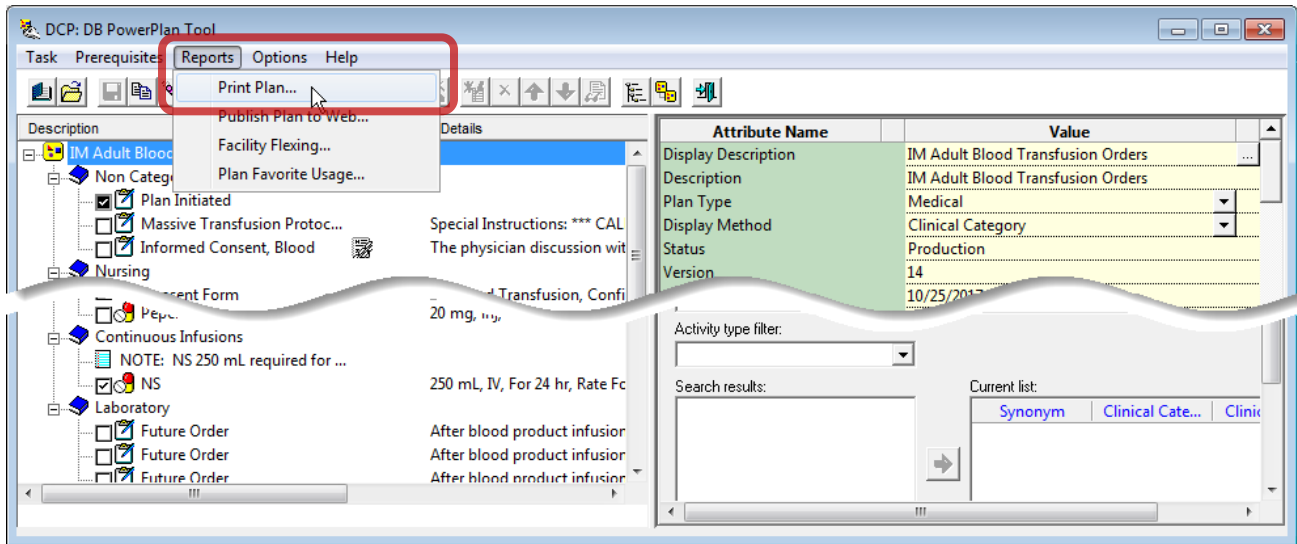

5. Search for PowerPlans, ex. *IM Adult Blood Transfusion Orders*.

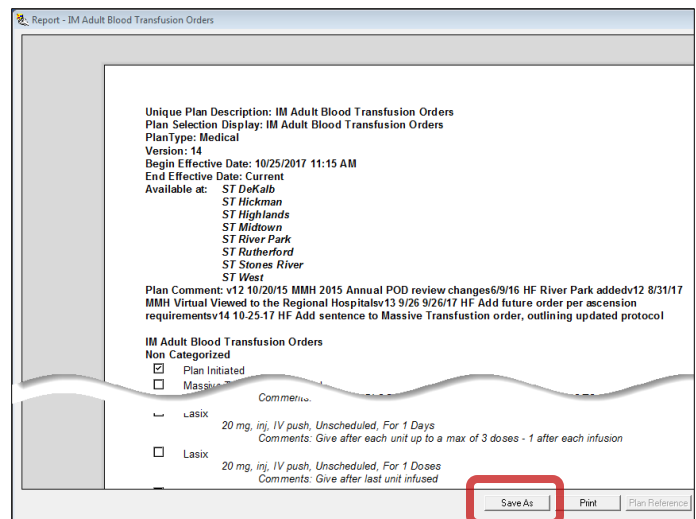

6. Click on the PPs then click **OK**.

7. Click **Reports** then **Print Plan...**

8. Click **Save As** to your preferred drive.

Note 1: Default saved format – rtf.

Note 2: Use MS Word to open the file and print as needed.
